

ANOTHER TILE REQUEST

for the

TILE HERITAGE FOUNDATION

Once again the Tile Heritage Foundation is seeking donations of tiles, this time for a **Silent Auction** to be held at the **Pomona Downtown Center** in conjunction with the **Potters Council Tile Conference** being held in Pomona, California, **October 6-9, 2005**. The tile you donate will be on public display at the conference and will then be auctioned. Proceeds from the auction will be shared with the **American Museum of Ceramic Art (AMOCA)**, the **California Heritage Museum**, the **Malibu Lagoon Museum** and used to support the Foundation's educational programs. All donors will be acknowledged as a group at the auction, and we will proudly list your name as a donor on the THF website. This is a prestigious, national event, and we encourage your participation.

Over the past fourteen years Tile Heritage has participated in many auctions and festivals, all enhanced by the generous contributions of beautiful art tiles from contemporary artists and artisans. The exhibition of these tiles always creates a stir as the variety of artistic talent on display is unique and unsurpassed. The guiding principle of a Potters Council Conference is "**the presentation of exciting work and new techniques.**" Certainly this display of artistic talent, reflected in the tiles up for auction, will dazzle the conference attendees!

Please complete this form and enclose a copy of it with your tile. Ship no later than September 26th. (Tile donations will **NOT** be accepted at the conference itself.) **Please limit your donation to one tile (up to 12").**
Affix your business card to the back of the tile and then please sign and date your tile with a Sharpie.
