Art Tiles in this auction were generously contributed from Artisans around the country to Tile Heritage which in normal times would have been shown and sold during the Moravian Pottery and Tile Works Spring Tile Festival and the Artisan Tile Northwest Fall Festival, both of which were cancelled this year due to the pandemic.

FUNDS from this up-coming event will provide support for the Foundation's ongoing tile history archiving project as well as a comprehensive online index capturing the History of Ceramic Tile in the United States from the 1870s to the present day.

OUR SINCERE THANKS TO THE CONTRIBUTING TILE ARTISTS . . . and very special THANKS to Vance Koehler and Eric Boynton for PHOTOGRAPHING and documenting the Art Tiles for the Auction. A shout-out to Katia McGuirk for PROMOTING it, Joe Taylor for EDITING, Sheila Menzies for CURATING & MANAGING this auction on behalf of Tile Heritage!

Auction October 25th to 30th 2020.
