The concept is to create a 'monumental tile mural' honoring everyone with his or her 'hand' in the tile industry today. All imprints will be part of this historic tile installation for posterity - it's a FUN project!

Over the next 12 to 15 months we want 5000 hand-print tiles from participants from every aspect of the tile industry! We are inviting all to press their hands, names, thoughts or logos into a wet clay tile and become a part of the mural! **Sponsorship of this project is most welcome.** There are many ways to assist and be publicly acknowledged as a ***Mural Sponsor*** during the Coverings Expo in 2018.
